Cavalier County Newborn Home Visiting Program

Public Health
Prevent. Promote. Protect.

Cavalier County Health District

Cavalier County Home Visiting Program

A postpartum/newborn home visit will be offered to all mothers and babies in Cavalier County.

The program is voluntary and available to all parents.

There is no charge to participate in the home visiting program.

Welcome Home Baby

Home visits are made by a registered nurse who will answer questions that parents have relating to their baby or questions the mother may have related to her health following the birth of the baby.

Issues that may be addressed:

- *Infant care
- *Infant feeding
- *Infant health
- *Infant development
- *Sleep position
- *Home safety
- *Local resources
- *Postpartum (maternal health)
- *Parenting & more

Congratulations on your new baby.

If you are interested in a home visit, please fill out this form and mail or drop it off at the Cavalier County Public Health Office. You may also arrange for visits by calling the office at 701-256-2402.
